

NEW CONNECTION FEES

EVERETT SEWER BASIN

New or upsized connections to the Silver Lake Water & Sewer District's (District) system are assessed a new connection charge to pay for capital improvements. These new connection charges are assessed per meter size or number of dwelling units as adopted by Resolution No. 674.

New or upsized sewer connections may also be required to pay developer reimbursements, system development fees, ULID assessments, or other fees depending on the property location.

For more information, please contact the District at 425.337.3647.

Customers may provide the District with a building permit issued prior to December 30, 2011, to be assessed the previous General Facility Charge under Resolution No. 651.
