

APPLICATION WATER LEAK ADJUSTMENT CREDIT

Date:	Service Address:
Property Owner Name:	Account Number:
Telephone Number:	Water Leak Repair Date:

I hereby make claim and attest to the following:

1. I had a water leak on my private water system.
2. I understand that I must repair the water leak and apply for the Water Leak Adjustment Credit within thirty days of a High Consumption Notice provided by the District or my personal knowledge of the water leak.
3. The water leak was repaired on the above date and I have attached documentation that verifies the repair (digital picture, store receipt for repair parts, a contractors/plumbers invoice).
4. I understand that if the District approves a Water Leak Adjustment Credit that I will not be eligible to receive another Water Leak Adjustment Credit for five years.
5. I understand that the District will calculate the Water Leak Adjustment Credit, under the provisions authorized by Resolution No. 764.
6. I understand I have to pay for the cost of my approximated regular water use, determined by my water consumption for the same billing period last year, or 15 CCF (Cubic Feet), and for the approximate leaked water use at the District's Alderwood Water & Wastewater Wholesale Rate.
7. I acknowledge that information provided by me in support of my application is a public record and is subject to public disclosure. I agree to waive any claim of confidentiality in any information provided and I agree to release Silver Lake Water and Sewer District, its employees, agents, officers, and Commissioners from any liability or claims which might arise from the disclosure of such information to any other party or entity.

I certify, under penalty of perjury, under the laws of the State of Washington, that the foregoing is true and correct.

Property Owner Signature Date

To Be Completed by District Staff

Calculation Factors	Water Consumption (CCF)	Water Per Unit Rate	Water Costs
Total Monthly or Bi-Monthly Bill Consumption and Charges			\$ -
Regular Water Use - Previous Year's Consumption for Same Bill Period			\$ -
Leaked Water Use - Total Water Use - Regular Water Use			\$ -
Total Amount Customer Pays (Regular Water Use Cost + Leaked Water Use Cost)			\$ -
Customer Water Leak Adjustment Credit			\$ -
