About Silver Lake Water & Sewer District

Silver Lake Water & Sewer District (SLWSD)'s mission is to provide high quality, safe and reliable water and wastewater services, while practicing good stewardship of natural and financial resources.

Originally incorporated in 1934 as a municipal corporation authorized under RCW 57, Silver Lake Water & Sewer District provides utility services to approximately 55,000 people in portions of the Cities of Everett and Mill Creek, and unincorporated Snohomish County, encompassing roughly 19,000 residential and business service connections. We are governed by an elected three-person Board of Commissioners.

Why Work for Silver Lake?

We offer an outstanding career with excellent benefits, and positive, supportive workplace. Benefits include...

- \$2,265 per month for Medical, Dental, Vision coverage, with 75% of any remainder deposited to a Health Retirement Account (HRA)
- State retirement plan (Washington PERS)
- Vacation and generous paid leave program
- Thirteen annual Federal and State holidays
- Long term disability and life insurance
- Deferred compensation program + employer match

Silver Lake Water & Sewer District is an Equal Opportunity Employer. We are also a drug, alcohol, and tobacco-nicotine free work environment.

How To Apply

Send a completed and signed Job Application (available on our website at www.slwsd.com), a cover letter, and a resume by postal mail to the attention of Shelley Stevens at 15205 - 41st Avenue SE, Bothell, WA 98012, or by email to apply@slwsd.com. No faxed applications will be considered. Position open until filled.

Position:

Utility Maintenance Worker Level 1 or 2

Annual Salary Ranges:

Level 1: \$58,420 to \$86,129; Level 2: \$69,374 to \$102,279; dependent on experience and qualifications

This position entails regular and recurring installation, repair, and maintenance work in the District's water and sewer systems. Specific duties include but are not limited to:

- Installs, services, and repairs all District water and sewer facilities, system components, vehicles, and equipment, including operation of vehicles and heavy equipment.
- Taps water and sewer mains for connections; repairs street curbs, streets, and sidewalks impacted by operations.
- Locates, inspects, and performs necessary repairs on new and existing water and sewer services and components.
- Ensures on-site safety compliance during field operations.
- Processes work orders; assists in final project inspections.
- Reads water meters; assists staff in meter re-reads; checks for indications of leaks and advises customers accordingly.
- Works with other District staff to perform service disconnection, water meter lock outs, and reconnections.
- Responds to emergency call outs and after-hours support.

Qualifications:

- Required: any equivalent combination of education and experience that provides the applicant with the knowledge, skills, and abilities required to perform the job.
- Required: ability to obtain a Water Distribution Manager 1 or 2 within one year of appointment.
- Preferred: between one year (for Level 1) and five years (for Level 2) of experience in the maintenance, repair, and operation of a public utility, or water and sewer district.
- Required: High School Diploma or GED.
- Required: valid Washington state driver's license; acceptable driving record; and for Level 2, a Commercial Driver's License (Class "A" with Airbrake and Tanker Endorsement).
- Required: Certified Competent Person; Industrial First Aid Card; CPR/Blood Borne Pathogens; Certified Work Zone Traffic Control (Flagging Card); Forklift Certified (within 12 months for Level 1).
