

ASSOCIATE ENGINEER
\$71,324 - \$104,846 (Annually)
Benefits Package

The Silver Lake Water and Sewer District is currently accepting applications for the position of Associate Engineer. The candidate will be responsible for a variety of tasks, applying utility engineering principles within established practices and procedures. This includes, but is not limited to, the review and preparation of materials related to the design, construction, maintenance and operations of Capital Improvement Projects, Small Works Projects, Developer Extension Agreements, and in-house maintenance operation activities. This is an engineer in-training position, where the incumbent must be willing to learn and have the desire and ability to complete training or related coursework as required.

Submit a cover letter, resume, and completed District Application Form to Silver Lake Water and Sewer District, Attn: Shelley Stevens, 15205-41st Avenue SE, Bothell, WA 98012-6114. A Job Description and Application Form are available on our website at www.slwsd.com. First review of applications will be Friday, January 14, 2022. The District is an Equal Opportunity Employer.
