

**SEASONAL GIS INTERN
Position is open until filled**

\$19.00 to \$24.00 per hour depending on qualifications

Silver Lake Water and Sewer District (SLWSD) is accepting applications for an opening for a Seasonal GIS Intern.

This position's primary function will be to assist the GIS Analyst in the building out of the District's GIS. Secondary functions may include assisting with the District's project to migrate to the ESRI Utility Network data model, buildout of the District's FOG program, and reviewing CCTV data.

Must possess a High School Diploma or GED and be enrolled in a two or four year geography, computer science, engineering technology, GIS, or equivalent program. Must have Valid WA State Driver's License with a driving record acceptable to the District.

The Silver Lake Water and Sewer District is a drug, alcohol, tobacco, and nicotine free workplace, and is an Equal Opportunity Employer.

An Application Form and a full Job Description are available at the District's Administrative office, M – F, 8:00 a.m. – 4:30 p.m., or can be obtained by going online at www.slwsd.com/employment.html.

Your completed and signed Job Application Packet must be returned to: SLWSD, Attn: Shelley Stevens, 15205-41st Avenue SE, Bothell, WA 98012-6114, or by email to apply@slwsd.com. No faxed applications will be considered. First review of applications received will be May 2, 2022. Position is open until filled.
