

## NEW SEWER CONNECTION FEES

### EVERETT BASIN SEWER – Effective January 1, 2021

New or upsized connections to the Silver Lake Water and Sewer District’s (District) system are assessed a General Facility Charge to pay for capital improvements. These new connection charges are assessed per meter size or number of dwelling units as adopted by Resolution No. 802.

Customers can apply for a new or upsized sewer connection by submitting a new permit application, which can be found at: <https://www.slwsd.com/forms.html>.

New or upsized sewer connections may also be required to pay developer reimbursements, system development fees, ULID assessments, or other fees depending on the property location.
