

**SILVER LAKE WATER AND SEWER DISTRICT  
POSITION DESCRIPTION**

Position Title:	Utility Maintenance Worker II	Department:	Operations and Maintenance
Report To:	Operations and Maintenance Manager	Supervises:	0

**1.0 MAJOR FUNCTION AND PURPOSE**

This position provides regular and recurring installation, repair, and maintenance of the water distribution and sewer collection systems with frequent supervision. Performs manual labor, reads water meters, and provides general maintenance for the District's property, facilities and vehicles. Assignments generally include the use of standard hand, long-handled, and power tools and may require operation of a utility truck. This position also requires the ability to be assigned to and respond to off-hour emergency response work.

**2.0 SUPERVISION RECEIVED**

This position serves under the direction of the Operations and Maintenance Manager.

**3.0 SUPERVISION EXERCISED**

None

**4.0 MAJOR JOB RESPONSIBILITIES**

Installs, services and repairs District water and sewer facilities; including but not limited to, water and sewer mains, sewer lift stations, water pumping stations, water valves, manholes, and other District facilities, vehicles and equipment.

Repairs water and sewer line leaks.

Flushes water lines and hydrants.

Operates vacuum and jetting trucks to maintain sewer mains, lift stations, manholes and clean plugged sewer lines.

Installs, repairs and maintains water system valves, water meters, and fire hydrants. Taps water and sewer mains for new water and sewer connections. Repairs street curbs, streets, and sidewalks cut during the installation or repair of water and sewer mains or services.

Locates water and sewer mains, manholes, water services and side sewers; inspecting newly installed water and sewer services; raising and/or repairing manhole frames, valve boxes, and lids.

Services and maintains small tools and equipment.

Ensures work site safety compliance during field operations; including, but not limited to, traffic zones, confined space entry, safety equipment usage, excavation planning and execution, in equipment usage compliance with Federal and State regulations. Provides traffic zone control (Flagging) as required.

Processes work orders according to time and material specifications and conduct final inspection of projects with supervisor.

Reads water meters by manual or by electronic means. Works with District staff to verify identified water meter re-reads, checks for indications of leaks and informs customers of high consumption.

May provide work site, work task, or team supervision upon the absence or direction of the Operations Manager, Utility Leads, or General Manager.

Orders, receives, and inventories small tools, minor equipment, water meters, or water and sewer parts as directed.

Works with other District staff to perform service disconnection, water meter lock outs, and reconnections.

Perform related duties as required and assigned.

Operates heavy equipment, vector trucks, vehicles, and other District equipments.

Responds to emergency call outs and provide after hours support to on-call week duty staff.

Ability to work well with others, be flexible in job assignments, be able to respond to emergency conditions as directed.

Ability to deal with customers and the public in a courteous and professional manner.

## **7.0 WORK ENVIRONMENT**

**Environment:** Work is primarily performed outdoors in all weather conditions. Employee risks physical hazard from mechanical and electrical equipment, traffic, animals, and other dangers.

**Physical:** Physical effort for extended periods of time is required to perform heavy manual labor in underground and confined spaces and at heights with uncomfortable, dirty conditions. Lifting up to 100 pounds is required, and the ability to carry 50 pounds unassisted. This position requires the physical ability to climb, stoop, kneel, crouch, crawl, grip, push, pull, lift, reach, walk quickly on uneven surfaces, and perform repetitive motions.

**Vision:** See in the normal visual range with or without correction; vision sufficient to read computer screens and printed documents; and to operate assigned equipment. Specific vision abilities required by this job include close vision, distance vision, ability to adjust focus, and see and distinguish primary utility marking colors (Green/Red/Blue/Black/Yellow).

**Hearing:** Hear in the normal audio range with or without correction.

**Tobacco Free:** The Silver Lake Water and Sewer District is a tobacco-free environment within District-owned facilities and vehicles. The District’s policy is to hire only non-smokers; non-vapor users, and non-chewing tobacco users.
