Residential Use Survey

All boxes must be checked either Yes or No.

Do not check "Yes" on Irrigation or Fire Sprinklers if application is for a domestic water service.

For Fire Sprinklers, only one type (Flow Through, Common, Dedicated) should be checked.

Applicant may be required to submit an approved building permit, land use decision (i.e., Hearing Examiner decision) or another acceptable documentation that fire sprinklers are required by the Fire Marshal and the meter size is adequate for the required flow rate.

Please call 425-337-3647 with any questions on the Application form or Use Survey.
