

Silver Lake Water & Sewer District

Work For Us

(425) 337-3647 • www.slwsd.com

Position:

Seasonal Maintenance Worker

**Hourly Salary Range (non-exempt): \$19.00 – \$24.00
dependent on experience and qualifications**

This position is a temporary, seasonal, non-exempt role (employee is eligible for overtime in accordance with Federal Fair Labor Standards Act, State Minimum Wage Act); it is not eligible for State PERS retirement or other District benefits.

The scope of work for this position entails regular and recurring installation, repair, and maintenance work in the District's water and sewer systems under frequent supervision. Specific duties include but are not limited to:

- Installs, services and repairs District water and sewer facilities; including but not limited to water and sewer mains, pruning, mowing, and manual landscaping.
- Washes and cleans District vehicles and equipment.
- Assists in the installation, repair and maintenance of valves, water meters, and fire hydrants.
- Services and maintains small tools and equipment.
- Provides traffic zone control (flagging) as required.
- Works with other District staff to perform service disconnection, water meter lock outs, and reconnections.
- Operates vehicles, small tools and other equipment.
- Able to be assigned to and respond to off-hour emergency response work.

Required Qualifications:

- Age 18 years or older.
- High School Diploma or GED.
- Physically able to perform essential functions, including light lifting and carrying.
- Valid Washington state driver's license and driving record acceptable to the District.
- Able to conform to work site safety regulations and procedures during field operations.
- Able to use Microsoft Word, Excel, and Outlook.
- Legally able to work in the United States and successfully pass a background investigation.
- Able to understand, read, speak and write English.

Preferred Qualifications:

- Excellent communication skills.
- Able to follow oral and written directions.
- Able to exercise discretion, courtesy, and patience with all District customers.
- Able to work up to 40 hours per week, Monday through Friday, with some flexibility in scheduling, including the ability to work overtime if needed.

About Silver Lake Water & Sewer District

Silver Lake Water & Sewer District (SLWSD)'s mission is to provide high quality, safe and reliable water and wastewater services, while practicing good stewardship of natural and financial resources.

Originally incorporated in 1934 as a municipal corporation authorized under RCW 57, Silver Lake Water & Sewer District provides utility services to approximately 55,000 people in portions of the Cities of Everett and Mill Creek, and unincorporated Snohomish County, encompassing roughly 19,000 residential and business service connections. We are governed by an elected three-person Board of Commissioners.

Silver Lake Water & Sewer District is an Equal Opportunity Employer. We are also a drug, alcohol, and tobacco-nicotine free work environment.
